

OVERSTONE NEIGHBOURHOOD PLAN BUSINESSES QUESTIONNAIRE

We are asking everyone including businesses such as yourself to participate in developing the Neighbourhood Plan for Overstone. This is your chance to have your opinions and ideas included.

Who we are

Overstone Neighbourhood Plan Steering Group is working to create a plan for our parish. The Overstone Neighbourhood Development Plan (The Plan) seeks to guide the growth and development of Overstone Parish over the next 10 years. It will put policies in place by which future planning applications can be determined.

Why does Overstone need a Neighbourhood Plan?

Overstone Parish has for hundreds of years consisted of a small linear village, a church and a rather unusual Hall. The population is set to grow over the next few years from 800 to more than 10,000. The Plan is about ensuring the type, location, style and size of development meets the needs and aspirations of our community. Having a Neighbourhood Plan provides opportunities for us to ensure future housing and any other development is sustainable for the parish and meets the needs of our area.

What do we need to do now?
