

**OVERSTONE
Parish Council**

Overstone Parish Council is the qualifying body for preparing a Neighbourhood Plan for the Parish of Overstone

The Neighbourhood Plan must take account of residents' views. The Plan is being led by the Parish Council, who have established a Neighbourhood Plan Steering Committee to consult with village residents and businesses in order to identify ideas and proposals for inclusion in the Plan.

For more details on what a Neighbourhood Development Plan means for our community, please see overleaf.

An 'Open Day' has been arranged where you can learn more about the Neighbourhood Plan process, speak to members of the Steering Committee, and give your views and ideas on the future of the village.
