

## **Welcome to the Overstone Neighbourhood Plan Questionnaire**

We are asking everyone in the Parish to participate in developing the Neighbourhood Plan for Overstone. This is your chance to have your opinions and ideas included.

### **What is it?**

A Neighbourhood Plan is a way of helping us to influence the planning of our Parish. It is a unique opportunity for you to shape and guide the future plans for Overstone.

Together we can:

- Develop a shared vision for Overstone
- Choose where new homes, shops and other development should be built
- Identify and protect important local green spaces
- Influence what new buildings should look like

### **Who We Are**

Overstone Neighbourhood Plan Steering Group is working to create a plan for our parish. The Overstone Parish Neighbourhood Plan (The Plan) seeks to guide the growth and development of Overstone Parish over the next 10 years. It will put policies in place by which future planning applications can be determined.

### **Why does Overstone need a Neighbourhood Plan?**

Overstone Parish has for hundreds of years consisted of a small linear village, a church and a rather unusual Hall. The population is set to grow over the next few years from 800 to more than 10,000.

The Plan is about ensuring the type, location, style and size of development meets the needs and aspirations of our community. Having a Neighbourhood Plan provides opportunities for us to ensure future housing and any other development is sustainable for the parish and meets the needs of our area.

Importantly, a Neighbourhood Plan, once approved, has legal force in setting out what development is acceptable to us in our parish.

### **What do we need to do now?**

Please complete this survey and encourage others in your household and your neighbours to do the same. All residents aged 16 and over are invited to complete an individual survey. The more responses we get, the better we will be able to make our Neighbourhood Plan deliver the kind of future the Overstone Parish community wants, needs and deserves.

1. What is your address including postcode in Overstone Parish?

2. What is your age group?

\*16-24

\*25-44

\*45-64
