

### **Reporting fly-tipping**

If you witness waste being illegally dumped in Daventry District it is vital you report it to us so we can remove the rubbish and take action against the offender, where possible.

- **[Report fly-tipping online here](#)**

If you see someone fly-tipping, or you want to report an area where fly-tipping has taken place, take note of the following:

- Date, time and place of the incident
- What the waste looks like and how much there is
- Descriptions of any person and/or vehicles involved along with the registration number.

Please remember that fly-tippers are acting illegally, so do not approach them or put your own safety at risk.

Where the waste has been dumped on public land, the Council's environmental services partner Daventry Norse will aim to remove it within 24 hours of it being reported (Monday-Friday). An enforcement officer will also investigate and take action against the offender(s) where there is evidence to do so.
